[Notice for speakers]

- Each paper is allotted **17 minutes**, including time for discussion.
- Please **aim to finish your presentation within 12 minutes** to allow sufficient time for discussion.

- **Presentations will be delivered via ZOOM**. Speakers will log on to the symposium ZOOM and share their screens, which will be projected on the main screen using a dedicated PC.
- **Alternatively, they can copy their PPT files to the dedicated PC** in the symposium room.

- **[IMPORTANT] The presentations will be recorded for online overseas participants** and will be made available **exclusively to symposium registrants** for **10 days** after the event.
